

# CHANOT FAMILY VIOLIN MAKING TOOLS

## STRING GAUGES

| UIN        | Description   | General Dimensions | Other notes   |
|------------|---|--------------------|---|
| 10384 (1)  | Darbeys Patent String Gauge – excellent condition (Brass – excellent condition) | 40mm x15mm         | Darbeys cylindrical string gauge in presentation box (lined) Three adjustors - one with marking – 0-5-10-15-20. |
| 10385 (2)  | 'Cello string gauge (Brass – good condition)                                    | 90mm x 30mm        | 'Cello string gauge stamped "Joseph Chanot"; range 5 – 19mm   |
| 10386 (3)  | 'Cello string gauge (Brass – good condition)                                    | 90mm x 30mm        | 'Cello string gauge stamped "Joseph Channot"; range 6 – 19mm  |
| 10387 (4)  | Multi-purpose string gauge (Brass – good condition)                             | 80mm x 20mm        | Gauge with seven position setting with annotation: E, D, C – B, A, G, F<br>Stamped: "Joseph A Chanot"           |
| 10388 (5)  | Hill violin string gauge (Brass – good condition)                               | 40mm x 15mm        | Violin string gauge stamped "Hill" with E, A, D and G group grooves   |
| 10389 (6)  | Hill violin string gauge (Brass – good condition)                               | 40mm x 15mm        | Violin string gauge stamped "Hill" with E, A, D and G group grooves   |
| 10390 (7)  | C.F. Albert Viola string gauge (Brass – good condition)                         | 60mm x 20mm        | Patented string gauge by C.F. Albert – Pat'd Mar 2nd 88   |
| 10391 (8)  | C.F. Albert Violin string gauge (Brass – good condition)                        | 40mm x 25mm        | Patented string gauge by C.F. Albert  |
| 10392 (9)  | Small string gauge (Steel – good condition)                                     | 40mm x 20mm        | Violin string gauge with scale 0 to 2.0<br>Annotation: three scratched marks                                    |
| 10393 (10) | Rectangular string gauge (Metal – good condition)                               | 30mm x 25mm        | Violin string gauge<br>Annotation: Scales 1-4 for each of 4 strings (EAGD)                                      |

|            |  |             |   |
|------------|--|-------------|---|
| 10394 (11) | Rectangular string gauge<br>(Metal – good condition) | 30mm x 25mm | Violin string gauge<br>Annotations: Scales 1-4 for<br>each of 4 strings (EAGD)                                    |
| 10395 (12) | Rectangular string gauge<br>(Brass – good condition) | 30mm x 25mm | Violin string gauge<br>Annotations: Scales 1-4 for<br>each of 4 strings (EAGD)                                    |
| 10396 (13) | Violin string gauge in case<br>(Good condition)      | 50mm x 20mm | Violin string gauge with<br>case and ball handle<br>Annotations: three marks<br>for each of four string<br>(EAGD) |
| 10397 (14) | Violin string gauge in case<br>(Good condition)      | 50mm x 20mm | Violin string gauge with<br>case and ball handle<br>Annotations: three marks<br>for each of four string<br>(EAGD) |
| 10398 (15) | Violin string gauge in case<br>(Good condition)      | 50mm x 20mm | Violin string gauge with<br>case and ball handle<br>Annotations: three marks<br>for each of four string<br>(EAGD) |
| 10399 (16) | Violin string gauge in case<br>(Good condition)      | 50mm x 20mm | Violin string gauge with<br>case and ball handle<br>Annotations: three marks<br>for each of four string<br>(EAGD) |
| 10400 (17) | String gauge in case (Good<br>condition)             | 60mm x 20mm | String gauge with case<br>Annotations: three marks<br>for each of four string<br>(ECAD)                           |
| 10401 (18) | Viola string gauge (Good<br>condition)               | 50mm x 15mm | Viola string gauge with<br>three marks for each of<br>four string (AGDC)  |
| 10402 (19) | String gauge (Fair condition)                        | 60mm x 20mm | String gauge with scale 0-12<br>and scratch markings of A<br>and D  |

|            |                                      |             |   |
|------------|--------------------------------------|-------------|---|
| 10403 (20) | String gauge (Good condition)        | 60mm x 15mm | Metal string gauge with scale 5-40<br>Annotations: "K. Wither's"                    |
|            |                                      |             |   |
| 10404 (21) | Viola string gauge (Good condition)  | 40mm x 15mm | Metal viola string gauge with ring. Three marks for the four string (AGDC).         |
|            |                                      |             |   |
| 10405 (22) | Violin string gauge (Fair condition) | 40mm x 15mm | Metal violin string gauge. Three marks for four string (EDAG)<br>Annotation: "Hill" |
|            |                                      |             |   |
| 10406 (23) | Viola string gauge (Fair condition)  | 50mm x 15mm | Metal viola string gauge. Three marks for four strings (AGDC)                       |
|            |                                      |             |   |
| 10407 (24) | Viola string gauge (Fair condition)  | 50mm x 15mm | Metal viola string gauge. Three marks for four strings (AGDC)                       |
|            |                                      |             |   |
| 10408 (25) | String gauge (Fair condition)        | 50mm x 15mm | Metal viola string gauge. Three marks for four string (AGDC)                        |
