

# CHANOT FAMILY VIOLIN MAKING TOOLS

## Violin Making Tools

UIN	Description	General Dimensions	Other notes
10265	Sound post setter (Good condition)	200mm x 20mm	Metal
10266	Sound post setter (Good condition)	230mm x 20mm	Metal
10267	Sound post setter (Fair condition)	180mm x 20mm	Metal – broken tip
10268	Sound post setter (Good condition)	200mm x 30mm	Metal
10269	Sound post setter (Good condition)	2300mm x 25mm	Metal
10270	Sound post setter (Good condition)	200mm x 20mm	Metal
10271	Thin tweezers (Good condition)	120mm x 10mm	Metal – fine point
10272	Coping saw (Poor condition)	280mm x 100mm x 20mm	Adjustable coping saw – metal – no blade – wood handle; adjusters no working
10273	Metal tweezers (Fair condition)	140mm x 30mm x 10mm	Metal fine point tweezers Annotation: “E Bishop Sheffield”
10274	Flat-nose pliers (Good condition)	100mm x 50mm	Thin, flat-nose pliers in working order
10275	Round-nose pliers (Fair condition)	130mm x 40mm	Round-nose pliers in working order
10276	Dividers (Good condition)	100mm x 70mm	Adjustable spring dividers – working order

10277	Dividers (Good condition)	100mm x 60mm	Adjustable spring dividers – working order
10278	Dividers (Poor condition)	160mm x 60mm	Adjustable dividers with side clamp – not working
10279	Thickness gauge/callipers (Poor condition)	120mm x 90mm	Metal thickness gauge – no scales – simple wide mouth
10280	Thickness gauge/callipers (Poor condition)	130mm x 65mm	Metal thickness gauge – no scales – simple narrow mouth and long arms
10281	Large metal C-Clamp (Very poor condition)	350mm x 150mm x 2mm	Large cast iron C-clamp – broken/incomplete
10282	Small metal C-Clamp (Good condition)	160mm x 9-mm x 10mm	Small metal C-Clamp with large butterfly adjuster – in working order
10283	Bevelled edge chisel (Good condition)	220mm x 30mm	1” bevelled edge chisel with wooden handle Annotations: “I Sorby Cast Steel” “Sheffield”.
10284	Bevelled edge chisel (Good condition)	260mm x 30mm	½” bevelled edge chisel with wooden handle Annotations: “W <sup>s</sup> Marples & Sons”, “Sheffield Eng”
10285	Small, fine tenon saw (Good condition)	270mm x 35mm	Small, fine tenon saw – brass and steel with wooden handle
10286	Small wood gouge (Good condition)	190mm x 25mm	Small (¼”) wood gouge with round wooden handle
10287	Large wood gouge (Good condition)	340mm x 35mm	Large (¾”) wood gouge with round wooden handle Annotation: “Bedford Cast Steel”

10288	Long, narrow wood gouge (Good condition)	320mm x 35mm	Long, narrow, round wood gouge; round wooden handle Annotation: “*NURSE*”; “*VIOTA WORK*”
10289	Small, narrow wood gouge (Good condition)	210mm x 30mm	Short, narrow, round wood gouge, shaped wooden handle (octagonal)
10290	Small wood awl (Good condition)	100mm x 30mm	Small wood awl with wooden shaped handle
10291	Large peg hole reamer (Good condition)	360mm x 40mm	Large (‘cello/bass) peg hole reamer; round wooden handle
10292	Small peg hole reamer (Good condition)	240mm x 30mm	Small (violin) peg hole reamer; round wooden handle
10293	Small peg hole reamer (Good condition)	210mm x 25mm	Small (violin) peg hole reamer; round wooden handle
10294	Small peg hole reamer (Good condition)	270mm x 30mm	Small (violin) peg hole reamer; round wooden handle
10295	Peg hole reamer (Good condition)	170mm x 60mm	Small (violin) peg hole reamer; “T” handle in wood Annotation: “J.A.CHANOT” on handle
10296	Peg hole reaming bit brace (Good condition)	210mm x 10mm	Peg hole reamer bit for brace or standing drill; all steel Annotation: “BARRESANT AINE” (twice); “A MIRECOURT”
10297	Round wood gouge (Good condition)	250mm x 30mm	Round wood gouge; 20mm blade; Round wooden handle Annotations: On handle “W <sup>m</sup> A.Chanot”; On handle

			“ANGE”; On blade “6”, “J.P ADDIG & BONE”, “SHEFFIELD, ENG”, “10 PRIZE MEDALS”
10298	Large round wood gouge (Good condition)	360mm x 30mm	Large round wood gouge; 20mm blade; Round/shaped (octagon) wooden handle Annotations: “MERRING BROS”, “LONDON”, “CAST STEEL”
10299	Small knife (Fair condition)	180mm x 40mm	Knife with steel blade – pointed, wooden handle
10300	Long handled knife (Fair condition)	220mm x 35mm	Long handled knife with steel blade, wood handle
10301	Very long handled knife (Fair condition)	220mm x 20mm	Very long handled knife with short steel blade, wood handle
10302	Wooden Clamp (Good condition)	259mm x 100mm x 20m	Wooden hand-screw clamp; wooded jaws and two parallel wooden adjusting screws
10303	Small metal G-clamp (Good condition)	190mm x 80mm	Small cast G-clamp in working order
10304	Small metal G-clamp (Fair condition)	160mm x 75mm	Small cast G-clamp in working order
10305	Metal G-clamp (Fair condition)	210mm x 95mm	Metal G-clamp In working order
10306	Metal G-clamp (Fair condition)	260mm x 100mm	Metal G-clamp in working order
10307	Large metal G-clamp (Fair condition)	350mm x 110mm	Large metal G-clamp in working order
10308	Wooden lining clamp (Good condition)	100mm x 25mm x 15mm	Wooden, adjustable ‘peg’ lining clamp with wooden

			screw adjuster in working order
10309	Peg-hole borer (Good condition)	250mm x 130mm	Steel peg-hole borer (reamer?), wooden handle
10310	Peg-hole borer (Good condition)	2800mm x 120mm	Steel peg-hole borer (reamer?), wooden handle
10311	Peg-hole reamer (Good condition)	225mm x 45mm	Steel, one-sided, peg-hole reamer with round bulb handle Annotation: "6" or "9" on blade
10312	Peg-hole reamer (Good condition)	220mm x 50mm	Steel, one-sided, peg-hole reamer with bulb wooden handle
10313	Small wood drill bit (Fair condition)	100mm	Steel wood drill bit for brace or standing drill; all steel; Size 5/16in Annotation: "W Mapple & Sons" (with triple clover leaf marking); "5/16"
10314	Large wood drill bit (Fair condition)	150mm	Steel wood drill bit for brace or standing drill; all steel; Size 1in
10315	Small curved thumb plane (Good condition)	130mm x 80mm x 20mm	Small, all steel thumb plane with shaped blade and wooded adjustment block – complete
10316	Small triangular file (Poor condition)	110mm x 5mm	Small tapered triangular file
10317	Medium triangular file (Poor condition)	200mm x 15mm	Medium tapered triangular file

10318	Large flat file (Fair condition)	260mm x 25mm x 5mm	7/8in flat metal file, one smooth edge
10319	Large flat file (Fair condition)	270mm x 20mm x 5mm	3/4in flat metal file, one smooth edge
10320	Flat file (Poor condition)	230mm x 20mm x 5mm	3/4in flat metal file, one smooth edge, bend hilt
10321	Flat file (Poor condition)	210mm x 15mm x 3mm	5/8in flat metal file, one side smooth, bend hilt
10322	Flat file (Poor condition)	210mm x 15mm x 3mm	5/8in flat metal file, one smooth edge
10323	Flat file (Poor condition)	210mm x 15mm x 3mm	5/8in flat metal file, one smooth edge
10324	Metal G-clamp (Fair condition)	160mm x 65mm x 5mm	Metal G-clamp in working order
10325	Metal G-Clamp (Fair condition)	160mm x 65mm x 5mm	Metal G-clamp in working order
10326	Small G-Clamp (Fair condition)	110mm x 40mm x 15mm	Small G-clamp in working order Annotation: "BUCK"; "TOT COURT R <sup>d</sup> "
10327	Small G-Clamp (Fair condition)	80mm x 30mm x 10mm	Small G-clamp in working order Annotation: "BUCK"; "TOT COURT R <sup>d</sup> "
10328	Large G-Clamp (Poor condition)	180mm x 130mm x 10mm	Large G-clamp, adjustment pad missing
10329	Large G-Clamp (Fair condition)	170mm x 130mm x 10mm	Large G-clamp in working order
10330	Folding 1M metal ruler (Poor condition)	110mm x 10mm	Folding 1M rule (10 folds); scales in imperial and metric

			Annotation: "Chesterman Sheffield"
10331	Tapered nose pliers (Fair condition)	135mm x 50mm	Small tapered nose pliers in working order
10332	4 inch metal ruler (Poor condition)	175mm x 20mm	One-sided 4" metal ruler; imperial and metric scale Annotation: "Standard Metal Engraving Co"; Buchanar Buildings, 26 Holborn, London"; "Name Plates Unlimited"
10333	6-inch metal ruler (Poor condition)	170mm x 15mm	One-sided 6" metal rule; imperial and metric scales Annotation: "SOLEX Co...rettor"; "223-231 Mary.."; "London"
10334	Metal tweezers (Poor condition)	80mm x 10mm	Metal tweezers
10335	Drill bit (Poor condition)	155mm x 15mm	10mm flat drill bit for brace or standing drill
10336	Drill bit (Poor condition)	2300mm x 15mm	½" flat drill bit for brace or standing drill
10337	Drill bit (Poor condition)	110mm x 10mm	¼" flat drill bit for brace or standing drill
10338	Wood boring bit (Fair condition)	170mm x 10mm	¼" wood boring bit for lathe or standing drill
10339	Wood boring bit (Fair condition)	170mm x 10mm	3/8" wood boring bit for lathe or standing drill
10340	Drill bit (Good condition)	120mm x 10mm	½" drill bit for wood Annotation: "B Sorby"; "Cast Steel"
10341	Drill bit (Good condition)	110mm x 10mm	3/8" drill bit for wood Annotation: "B Sorby"; "Cast Steel"
10342	Drill bit (Fair condition)	90mm x 10mm	¼" drill bit for wood

10343	Small Peg Shaper (Fair condition)	80mm x 45mm x 40mm	Wooden peg shaper complete with blade – one wing nut missing
10344	Large Peg Shaper (Good condition)	240mm x 55mm x 60mm	Wooded peg shaper complete with blade Annotations: “Joseph Chanot” top and side of block; “I Sorby”, “Cast Steel”, “Sheffield” on blade
10345	Large Peg Shaper (Good condition)	250mm x 50mm x 55mm	Wooded peg shaper complete with blade Annotation: “W.P. Ward”, “Cast Steel”
10346	Large Peg Shaper (Fair condition)	240m x 65mm x 50mm	Wooden peg shaper complete with blade Annotation: “W <sup>m</sup> A Chanot
10347	Large Peg Shaper (Fair condition)	240m x 50mm x 65mm	Wooden peg shaper complete with blade Annotation: “W.P Wad”, “Cast Steel” on blade
10348	Large Block Plane (Fair condition)	320mm x 65mm x 50mm	Large block plane (2” blade) with blade and wooden wedge
10349	Medium Block Plane (Fair condition)	270mm x 55mm 40mm	Medium block plane (1 ¾” blade) with blade and wooded wedge
10350	Medium Block Plane (Fair condition)	210mm x 45mm x 35m	Medium block plane (1 ½” blade) with blade and wooed wedge Annotation: “Buck” on blade
10351	Medium Block Plane (Fair condition)	180mm x 45mm x 25mm	Medium block plane (1 ¼” blade) with blade and wood wedge
10352	Small Block Plane (Good condition)	140mm x 40mm x 60mm)	Small block plane (1 ¼” blade) with blade and wood wedge

			Annotantions: "W <sup>m</sup> A Chanot" on wedge, "BUCK", "TOT COURT RD" on body
10353	Small Smoothing Plane (Poor condition)	155mm x 50mm x 70mm	Small "modern" smoothing plane – fully adjustable with 1 ½" blade
10354	Very small Block Plane (Fair condition)	90mm x 25m x 20mm	Very small block plane (3/4" blade) complete with blade and wedge
10355	Flat Thumb Plane (Poor condition)	80mm x 25mm x 35mm	Large thumb plane (with flat surface) complete with blade and wedge (3/4" blade).
10356	Large Thumb Plane (Fair condition)	50mm x 25mm x 40mm	Large thumb plane (with curved surface) complete with blade and wooded wedge
10357	Small Thumb Plane (Fair condition)	60mm x15mm x 30mm	Small thumb plane (with curved surface) complete with blade and steel wedge
10358	Wooden Thumb Plane (Poor condition)	35m x 39mm x 10mm	Wooden thumb plane (with curve surface) complete with blade and wooden wedge
10359	Large Spring Clamp (Fair condition)	300mm x 95mm x 25mm	Large wooden spring clamp
10360	Large Spring Clamp (Fair condition)	340mm x 75mm x 25mm	Large wooden spring clamp
10361	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10362	Medium Peg Lining Clamp (Fair condition)	190mm x 50mm x 20mm	Medium wooden peg lining clamp

10363	Medium Peg Lining Clamp (Fair condition)	190mm x 50mm x 20mm	Medium wooden peg lining clamp Annotation: "J.A. Chanot"
10364	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10365	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10366	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10367	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10368	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10369	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10370	Medium Peg Lining Clamp (Fair condition)	180mm x 50mm x 20mm	Medium wooden peg lining clamp
10371	Medium Peg Lining Clamp (Fair condition)	190mm x 50mm x 20mm	Medium wooden peg lining clamp
10372	Large Peg Lining Clamp (Fair condition)	330mm x 70mm x 25mm	Large wooden peg lining clamp
10373	Large Peg Lining Clamp (Fair condition)	310mm x 55mm x 20mm	Large wooden peg lining clamp
10374	Large Peg Lining Clamp (Fair condition)	320mm x 60mm x 20mm	Large wooden peg lining clamp
10375	Large Peg Lining Clamp (Fair condition)	315mm x 55mm x 20mm	Large wooden peg lining clamp
10564	Large Peg Lining Clamp (Fair condition)	315mm x 55mm x 20mm	Large wooden peg lining clamp
10376	Large Thickness Testing Gauge (Poor condition)	380mm x 195mm x 20mm	Large thickness testing gauge

10377	Medium Thickness Testing Gauge (Fair condition)	250mm x 90mm x 20mm	Medium thickness testing gauge in working order
10409	Belly/Back Shaping Support Block (Fair condition)	350mm x 200mm x 50mm	Shaped support block for shaping inside of belly or back plates.
10410	Belly/Back Shaping Support Block (Poor condition)	370mm x 220mm x 30mm	Shaped support block for shaping inside of belly or back plates
10411	Bell/Back Shaping Support Block (Poor condition)	360mm x 215mm x 20mm	Shaped support block – with felt lining – for shaping inside of belly or back plates.
10412	Finger Board Shaping Support Block (Fair condition)	280mm x 60mm x 20mm	Support block for shaping figure boards – two sided for already shaped boards Annotation: “J.A. CHANOT”
10413	Finger Board Clamping Block (Fair condition)	290mm x 60mm x 25mm	Block for holding finger board in place whilst setting.
10414	Finger Board Clamping Block (Poor condition)	300mm x 50mm x 15mm	Block for holding finger board in place whilst setting.
10559	Box of assorted large spool clamps (Fair condition)	Typical: 380mm x 15mm (largest); 230mm x 15mm (smallest)	Box of thirteen (13) assorted wooden spool clamps. Most complete with button and leather pads. Various lengths and thread sizes.
10560	Collection of small spool clamps (Fair condition)	Typical: 125mm x 10mm	Set of twenty seven 27 small wooded spool clamps – each complete and in fair condition
10561	Collection of small spool clamps (Fair condition)	Typical: 125mm x 10mm	Set of eleven (11) small wooded spool clamps –

			each complete and in fair condition
10591	Collection of assorted small spool clamps (Fair condition)	Typical: 125mm x 10mm	Set of nine (9) small wooded spool clamps – various lengths and sizes
10639	Basic purfling router (Fair condition)	200mm x 45mm x 45mm	Basic, adjustable purfling router with blade and adjustment wedge.
10640	Wood purfling marker (Good condition)	130mm x 50mm x 45mm	Wooden adjustable purfling marker – no blade (should have two very thin marking blades that can be inserted together. Annotation: Stamped with “J.A. CHANOT” and “JOSEPH CHANOT”
10641	Jeweller’s clamp (Good condition)	120mm x 25mm x 20mm	Adjustable, sprung jeweller’s clamp in working order.
10642	String stretching clamp (Good condition)	135mm x 50mm x 30mm	Spring loaded string-sizing clamp. Annotation: Stamped “Germany” and a small pyramid device.
10842	Peg hole reamer (Fair condition)	170mm x 73mm	Metal reamer with mounting bar. Possibly for mounting on a workbench. End plate has locating hole.
10841	Metal honer (Fair condition)	200mm x 25mm	Honing tool – used to remove edge bur on metal.
10843	Peg shaper – incomplete (Fair condition)	55mm x 35mm x 45mm	Part of peg shaping tools – wooden block only. Annotation: “W <sup>m</sup> A. CHANOT”
10844	Spring clamp (Fair condition)	200mm x 50mm	Large metal spring clamp.
10845	Spring clamp (Fair condition)	150mm x 35mm	Medium metal spring clamp.

10846	Spring clamp (Fair condition)	140mm x 40mm	Small metal spring clamp.
10847	Thumb plane (Poor condition)	40mm x 20mm x 20mm	Incomplete thumb plane – no blade, support or wedge. Convex planning surface.
10848	Thumb plane (Poor condition)	40mm x 20mm x 20mm	Incomplete thumb plane – no blade or wedge. Flat planning surface.
10849	Shaping plane (Poor condition)	105mm x 100mm x 30mm	Shaping plane – incomplete. No blade wedge. Contoured planning surface (round groove) with matching blade.
10850	Coping saw blades (Poor condition)	205mm	Three round coping saw blades of different grades: 1 fine and 2 medium.
10851	Chisel blade (Poor condition)	125mm x 6mm	Small chisel blade without handle. Annotation: "S.J. Addm"; "Cast Steel"
10852	Chisel blade (Poor condition)	140mm x 2mm	Small chisel blade without handle.
10853	Screwdriver blade (Poor condition)	75mm x 2mm	Small screwdriver/bradawl blade without handle.
10854	Bradawl blade (Poor condition)	63mm x 2mm	Small bradawl blade without handle.
10857	Pin clamp (Poor condition)	40mm x 10mm	Small incomplete pin-clamp. May be part of another tool = e.g. drill bit head.
10856	Plane blade (Fair condition)	33mm x 135mm	Steel plane blade. No annotation.
10858	Plane blade (Fair condition)	35mm x 115mm	Steel plane blade.

			Annotation: “..BUG..”; “TOTTHO...”
10859	Plane blade (Fair condition)	34mm x 175mm	Steel plane blade. Annotation: Crest with “WARD”
10860	Plane blade (Fair condition)	50mm x 165mm	Steel smoothing plane blade with adjustment slot.
10861	Plane blade (Fair condition)	25mm x 112mm	Steel plane blade, Annotation: Crest with “WARD”
10862	Plane blade (Fair condition)	23mm x 85mm	Steel grooved plane blade. Some annotation – very unclear.
10863	Plane blade (Fair condition)	30mm x 125mm	Steel plane blade. Annotation: Markers stamp;
10864	Plane blade (Fair condition)	20mm x 80mm	Steel grooved plane blade. Maker’s stamp; “E P”; ‘PRESTON”
10865	Plane blade (Fair condition)	32mm x 120mm	Steel plane blade. Annotation: “..UCK”; “..OT COURT...”
10866	Plane blade (Fair condition)	32mm x 120mm	Steel plane blade. No annotation.
